S10155 *	00761 to Burton 55A1-1508 Cable Assembly
S11931 *	00344 (RA) to Burton 55A1-1508 Cable Assembly

* This notice incorporates all derivative numbers from the main part number (example S09885 50M).

Product Retirement Announcement**Retirement Time Line:**

The timeline for retirement of the product is detailed below:

Stage	Meaning	Date
Final Time of Sale	After this date, no further new orders for this product will be accepted.	30 April 2026
Final All Parts Availability	Up to this date all parts will continue to be available for internal and external spares, service and repair orders. After this date availability of service and common repair parts cannot be guaranteed.	30 October 2026
Limited Service Parts Availability	After this date any item specific to these part numbers will no longer be manufactured or purchased. Service or repair work will be subject to the availability of parts.	30 October 2027
Final Support	After this date, Tritech will no longer guarantee to offer service or technical support.	30 April 2029

Reason for Retirement:

Following the obsolescence of some components and a strategic review of the product line, Tritech are withdrawing the PAL variant Super SeaSpy Camera and associated accessories from sale and support on the timeline detailed above. There are no direct alternatives for these products within the current Tritech range.

Warranty repairs will be addressed on a case-by-case basis for the duration of the existing warranty term in accordance with Tritech standard terms and conditions.

Please contact your normal sales channel for further details and availability of new items and service spares. If you have any questions regarding this announcement, please do not hesitate to contact Tritech International Ltd. at support@tritech.co.uk or through your normal sales channel.
