S03682	Twin SK Sonar / Profiler Case
S08071	Twin SK Sonar / Profiler Carton

**Product Retirement Announcement****Retirement Time Line:**

The timeline for retirement of the product is detailed below:

Stage	Meaning	Date
<b>Final Time of Sale</b>	After this date, no further new orders for this product will be accepted.	31 December 2025
<b>Final All Parts Availability</b>	Up to this date all parts will continue to be available for internal and external spares, service and repair orders. After this date availability of service and common repair parts cannot be guaranteed.	01 December 2026
<b>Limited Service Parts Availability</b>	After this date any item specific to these part numbers will no longer be manufactured or purchased. Service or repair work will be subject to the availability of parts.	30 June 2027
<b>Final Support</b>	After this date, Tritech will no longer guarantee to offer service or technical support.	31 December 2028

**Reason for Retirement:**

Following a strategic review of the product line, Tritech are withdrawing the range of Super SeaKing Dual Frequency Profiling Sonars from sale and support on the timeline detailed above. There are no direct alternatives for these products within the current Tritech range.

Warranty repairs will be addressed on a case-by-case basis for the duration of the existing warranty term in accordance with Tritech standard terms and conditions.

Please contact your normal sales channel for further details and availability of new items and service spares. If you have any questions regarding this announcement, please do not hesitate to contact Tritech International Ltd. at [support@tritech.co.uk](mailto:support@tritech.co.uk) or through your normal sales channel.
