### Tritech Announces Product Retirement Plan for the 720i Multibeam Sonar

This announcement is formal notification of Tritech International Ltd's retirement of the 720i series of Multibeam sonars. The following items are encompassed by this announcement:

Part No.	Description
08801	Gemini 720i Multibeam Sonar
08801 1CONE	Gemini 720i Multibeam Sonar, Single Port Ethernet
08801-ETH-SYS	Gemini Ethernet Multibeam Sonar System
08801-VDSL-SYS	Gemini 720i VDSL Sonar System
08801S	Gemini 720i Multibeam Sonar - Seabotix
08801S 1CONE	Gemini 720i Multibeam Sonar - Seabotix - 1 Ethernet Port

#### Reason for Retirement:

The partial retirement of the 720i series of Multibeam Sonars took place following the introduction of the 720is and 720ik ranges of sonar, with sales and support extended for selected customers. Tritech is completing the retirement of the 720i range across all customers as detailed below.

#### Replacement/Alternative Product:

Compatible replacements are available through the current Tritech range of Gemini 720is and 720ik Multibeam Sonars.

#### Retirement Time Line:

Stage	Meaning	Date
<b>Final Time of Sale</b>	After this date, no further new orders for this product will be accepted.	Immediate
<b>Final All Parts Availability</b>	Up to this date all parts will continue to be available for spares, service and repair orders. After this date only service and common repair parts can be guaranteed available.	01 June 2022
<b>Limited Service Parts Availability</b>	After this date parts specific to these part numbers will no longer be manufactured or purchased. Service work will no longer be supported and any repairs will be subject to the availability of parts.	01 June 2023
<b>Final Support</b>	After this date, Tritech will no longer guarantee to offer technical support.	01 June 2024
