Tritech Announces the Product Retirement Plan for the Gemini 720im Multibeam Sonar

This announcement is formal notification of Tritech International Ltd's retirement of the Gemini 720im Multibeam Sonar group of products. It should be noted that this does not impact the other models of Gemini Multibeam Sonars supplied and serviced through Tritech International. The following product numbers are encompassed by this announcement:

Part No.	Description
S11481	Gemini 720im 300m (Eth & Serial Seacon)
S11792	Gemini 720im 300m (Eth & Serial MKS(W)-3L10)
S11793	Gemini 720im 300m (Serial Micron Conn)
S12081	Gemini 720im 750m (Eth & Serial Seacon)
S12082	Gemini 720im 750m (Eth & Serial MKS(W)-3L10)
S12083	Gemini 720im 750m (Serial Micron Conn)
S12087	Gemini 720im 300m (Eth MKS(W)-307)
S12088	Gemini 720im 750m (Eth MKS(W)-307)

Reason for Retirement:

The Gemini 720im Multibeam Sonars have been superseded by the Micron Gemini Multibeam Sonars which have better performance while retaining the same form factor and connector options. As such the Gemini 720im Multibeam Sonars have been withdrawn from sale. Tritech will no longer maintain a stock of finished units and future service and repair work will be subject to availability and lead time of component parts. The timeline for retirement of the product is detailed below.

Retirement Time Line:

Stage	Meaning	Date
Final Time of Sale	After this date, no further new orders for this product will be accepted.	Immediate
Final All Parts Availability	Up to this date all parts will continue to be available for internal and external spares, service and repair orders. After this date availability of service and common repair parts cannot be guaranteed.	
Limited Service Parts Availability	After this date items specific to these part numbers will no longer be manufactured or purchased. Service work will no longer be supported and any repairs will be subject to the availability of parts.	01 August 2023
Final Support	After this date, Tritech will no longer guarantee to offer technical support.	01 August 2024

Replacement/Alternative Product:

The Micron Gemini Multibeam Sonars are a direct replacement for the Gemini 720im range and retain the same form factor and connection details. For typical use, and under most circumstances, the Micron Gemini Multibeam Sonar will provide a direct drop-in replacement. Please contact your normal sales channel for further details and availability.

If you have any questions regarding this announcement, please do not hesitate to contact Tritech International Ltd. at support@tritech.co.uk or through your normal sales channel.
