

Levels of Support for Tritech's Product Range

Levels of Product Support

Whilst Tritech endeavours to support all legacy products, due to the age and availability of parts this is not always possible. This document outlines the current support levels offered for Tritech's product range and is laid out in a matrix format, as per the example below:

Imaging Sonars (Mechanical)	New units	Evaluation	Replacement Parts	Repair	Servicing	Training	Alternative Available
Tritech Product 1	+	+	⌂	+	⌂	+	×

Product Support Key

The following table identifies the symbols on the Levels of Product Support Matrix:

Symbol	Support Level Offered	Description
+	Full	Complete service offered – Please contact Tritech Customer Support for further information
⌂	Partial	Limited service offered – Please contact Tritech Customer Support for further information
×	None	No service offered – Product may be retired, please check with Customer Support
