

This announcement relates to the following products:

- **Tritech Micron Echosounder**
 - Part Number S06377
 - Part Number S11975

Product Information Notice

The Micron Echosounder has had a change to the 'Analogue Out' interface to allow compatibility with the Gemini 720im auxiliary interface.

Implementing these changes has resulted in a new part number for the Micron Echosounder which is S11975.

How will this affect my existing S06377 equipment?

The existing S06377 is unaffected.

What new features does the S11975 have?

The analogue output has been removed from the main port to allow compatibility with the Gemini 720im auxiliary interface.
