## Tritech Announces End of Support for SVS3 240 Mini Multibeam Sonars

This announcement is formal notification of Tritech International Ltd's end of support for the legacy SVS3 240 Mini Multibeam Sonar products. The following product numbers are encompassed by this announcement:

Part No.	Description
S09763 AL	SVS3 ATR240 Mini Aluminium (SRD 990003)
S09763 SS	SVS3 ATR240 Mini Stainless (SRD 990011)
990011	SVS3 240ATR Mini Multibeam Sonar (S09763)

### Reason for Retirement:

Following on from the previous retirement from sale of these products, the supplier of the principle component parts is no longer in business. As such Tritech can no longer support the maintenance or repair of these products and is withdrawing service and support. The timeline for retirement of the product is detailed below.

### Retirement Time Line:

Stage	Meaning	Date
<b>Limited Service Parts Availability</b>	After this date items specific to these part numbers will no longer be manufactured or purchased. Service work will no longer be supported and any repairs will be subject to the availability of parts.	Immediate
<b>Final Support</b>	After this date, Tritech will no longer guarantee to offer technical support.	

### Replacement/Alternative Product:

Tritech offer a range of alternative Multibeam Sonar products. Please refer to the details on our website or contact your local sales distributor for more details.

If you have any questions regarding this announcement, please do not hesitate to contact Tritech International Ltd. at [tritech-support@moog.com](mailto:tritech-support@moog.com) or through your normal sales channel.
