Tritech Announces Product Retirement Plan for the StarFish 453F AUV OEM Sidescan System

This announcement is formal notification of Tritech International Ltd's retirement of the StarFish 453F AUV OEM Sidescan System. It should be noted that this does not affect the other StarFish products supplied and serviced through Tritech International. The following product numbers are encompassed by this announcement:

Part No.	Description
S10699	StarFish 453F AUV OEM Sidescan System
S10816	StarFish 453F AUV OEM Transducer 450kHz
S11353 XDCR	
S11353 PCB	StarFish AUV OEM PCB 450kHz c/w Wiring Loom

Reason for Retirement:

Following a commercial review of the product sales and support requirements, Tritech have decided to withdraw the Starfish 453F AUV OEM Sidescan System from sale. Tritech will no longer maintain a stock of parts or finished units and as such future service and repair work will be subject to availability and lead time of component parts. The timeline for retirement of the product is detailed below.

Replacement/Alternative Product:

There are currently no directly comparable or replacement products available through Tritech International.

Retirement Time Line:

Stage	Meaning	Date
Final Time of Sale	After this date, no further new orders for this product will be accepted.	18 September 2020
Final All Parts Availability	Up to this date all parts will continue to be available for internal and external spares, service and repair orders. After this date availability of service and common repair parts cannot be guaranteed.	
Limited Service Parts Availability	After this date items specific to these part numbers will no longer be manufactured or purchased. Service work will no longer be supported and any repairs will be subject to the availability of parts.	17 September 2021
Final Support	After this date, Tritech will no longer guarantee to offer technical support.	

If you have any questions regarding this announcement, please do not hesitate to contact Tritech International Ltd. at tritech-support@moog.com or through your normal sales channel.
